Show and Sale

DECEMBER 1ST - 4TH 1946

SHORTHORN

BUY IN THE PURPLE AND PRODUCE TOMORROW'S CHAMPIONS

In Celebration of 100 Years of Herd Book Service to American Agriculture.

100 HEAD— 40 Impressive Breed Building Bulls
60 Modern Beef Type Females

Held in Conjunction with the International Livestock Show, Nov. 30-Dec. 7.

The 100 head in this sale have been chosen as a tribute to the 100th anniversary of the printing of Volume 1 of the American Shorthorn Herd Book, the first in this country for any breed of improved livestock. Its founder, Lewis Falley Allen (1800-1890) was one of the most influential early citizens of Buffalo, N. Y. As uncle to Grover Cleveland, twice president of the United States, he was the main influence in starting Cleveland on his political career.

Early in life he became a gentleman farmer of well over a thousand acres of land on Grand Island in the Niagara River. Here he found the interesting pattern of raising fine Shorthorns exactly fitting his respect for profit and his admiration for quality. A man of unquestioned integrity and unusual foresight, he believed that pedigree registration provided a direct route to the improvement and protection of a breed. The first Herd Book, May, 1846, listed 540 Shorthorns. By 1883, Allen had published 24 volumes. Then the American Shorthorn Breeders' Association bought his interest and has maintained the work ever since. Present registration of purebred Shorthorns in America has passed the three million mark.

If you are not a breeder of Shorthorns, we invite you, as Lewis Allen said he did in 1833, to make your "first experimental acquaintance with them." The great strength of the breed lies in its unrivaled range of adaptability, and in its ability to turn forage into prime beef faster than any other beef breed. Early Shorthorn maturity comes primarily from its greater capacity for milk production as compared to other beef breeds, from its quiet easy-feeding disposition, and from its greater natural scale.

Breeding purebred Shorthorns is a well-marked route to economic security. Ninety-eight per cent of all active members of the American Shorthorn Breeders' Association derive their chief source of livelihood from their sale. We invite you to buy them in this memorable SALE OF THE CENTURY.—CLINTON K. TOMSON.

Held Under Auspices of

AMERICAN SHORTHORN BREEDERS' ASSOCIATION

7 Dexter Park Avenue

Chicago 9, Illinois

Dr. A. E. DARLOW, Stillwater, Okla.

Dr. A. E. Darlow graduated from Oklahoma A. & M. College in 1919 with a B.S. degree. Immediately after graduation, he taught at Oklahoma A. & M. until 1935 during which time he received his M.S. degree (1922).

After eight years at the University of Wisconsin where he obtained his doctor's degree, he returned to Oklahoma A. & M. in 1943 as head of the Animal Husbandry department.

Dr. Darlow was chosen by the War Department in July, 1945, to head the departments of Dairying, Animal Husbandry and Poultry Husbandry at the Shrivensham American University in England. He served in this capacity for six months.

Shortly after arriving home he returned to Scotland to judge the Perth Shorthorn Show in February, 1946. He has since resumed his duties as Professor and Head of the Animal Husbandry Department at Oklahoma A. & M. College.

SHOW CLASSIFICATION AND PREMIUM AWARDS

Show to be held in International Arena, Sunday, December 1, 1946, 9:00 A. M.

JUDGE: DR. A. E. DARLOW, Stillwater, Okla.

Continuation of Breeding Class Judging

WEDNESDAY, DECEMBER 4th—9:00 A. M.

CENTENNIAL SHORTHORN CONGRESS SALE
Stock Yards Sale Pavilion

WEDNESDAY, DECEMBER 4th—7:00 P. M.

Annual Banquet and Meeting of AMERICAN SHORTHORN
BREEDERS' ASSOCIATION, Gold Room, Congress Hotel

THURSDAY, DECEMBER 5th—8:30 A. M.

Completion of Shorthorn Judging

HOTEL RESERVATIONS

It is urgently necessary that all who plan to attend the International Centennial Shorthorn events make hotel reservations as far in advance as possible, but definitely prior to November 15th. No unreserved rooms will be held after that date. The Congress Hotel, in downtown Chicago, has been established as headquarters, and all reservations should be made through this office.

BANQUETS

The Shorthorn Club Banquet on Monday night, December 2d, will feature the auction of the Shorthorn heifer offered jointly by Col. E. Arthur Ball and the Shorthorn Club. The entire proceeds of the auction will be divided among the prize winning contestants in the Junior Feeding Division showing Shorthorns.

An interesting program has been arranged for the Annual Meeting and Banquet of the American Shorthorn Breeders' Association, to be held in the Gold Room of the Congress Hotel, on Wednesday evening, December 4th, at 7:00 P. M.

Plan to attend both events. Tickets will be available from any Association representative.

Information for the Buyer

FREE FREIGHT OFFER—The American Shorthorn Breeders' Association will reimburse any purchaser, or group of purchasers, who buy and ship a carload of ten lots or more from this sale to one destination, up to a maximum of \$200.00 for freight charges exclusive of cost of feed or incidentals. Shipment may be made only by rail and must be consigned to a point more than 300 miles from Chicago. Why not contact some breeders in your locality in an effort to consolidate one shipment?

MAIL BIDS—Those unable to be present and who desire to take advantage of the buying opportunities in this sale, may rest assured that mail or wire bids will be honestly and faithfully executed. Any of the following competent men will be glad to handle buying orders for you. Contact them at the addresses listed, or in care of this Association at 7 Dexter Park Avenue, Chicago 9, Ill., or telephone Yards 0363.

TERMS—The terms of this sale are cash.

SHIPPING ARRANGEMENTS—It is the obligation of the consignors and this Association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for shipment following the close of the Stock Show. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals arrive in sound and healthy condition. **BE SURE TO LEAVE DEFINITE INSTRUCTIONS WITH THE SALE CLERK.**

INSURANCE—Coverage may be secured effective at the time of sales.

GUARANTEE—All animals sold in this sale will be backed by the Standard Guarantee endorsed by this Association. As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale or will have certificates of Bangs calfhood vaccination, and those that are not from Accredited herds have passed a clean tuberculin test within the same period. Health certificates will be provided with each lot sold.

LIABILITY—Although every precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Association, nor its representatives, nor the auctioneers or clerks, can assume any liability for accidents.

AMERICAN SHORTHORN BREEDERS' ASSOCIATION,
Clinton K. Tomson, Secretary.

SALE OF THE CENTURY

HERD BOOK CENTENNIAL 1846 - 1946

SHORTHORNS—BEST in Every WEIGH

Shorthorns have more to recommend them than any other beef breed. Here are 100 head to prove it with super beef type producing qualities recognized wherever there are improved cattle. They combine in the highest degree the most desirable qualities of shortness of leg, compactness of body, straightness of line, smoothness of flesh—the ultra modern type recognized as today's beef ideal. They have been selected to please buyers who know superiority by right of years of experience and selection and who come to this sale year after year for breed replacements. All are fitting tributes to the capabilities and vision which have dominated the progress of the breed in America for a Century. **BUY IN THE PURPLE AT THIS SALE** and produce tomorrow's champions.

BURTON MERCURY 10th is a good red, thick, meaty son of Edellyn Mascot Mercury. At the age of six months he was Grand Champion bull at the strong Du Quoin Illinois Fair and was first in the senior calf class at the 1945 Missouri State Fair, showing against bulls several months his senior. You are sure to like this bull.

PRINCE PETER RANSOM

Was first prize junior yearling bull at Illinois, Missouri, and Iowa State Fairs; also member of our first prize Get of Sire at Springfield. His full brother is now being used at Golden Oak Farms to assist their noted sire Prince Peter. A junior bull calf sired by his full brother was first at the Iowa State Fair. Prince Peter Ransom has the markings of a real sire and should go into a good herd.

EDELLYN ROYAL LEADER 29th

A product of the All-American team of Edellyn Royal Leader and Calrossie Mercury and from the very same family that produced Browndale Count. Indiana and Wisconsin State Fair first prize winner and member of our winning Get of Sire group, Edellyn Royal Leader 29th must be regarded highly for his individual merit, breed character and the extreme quality of every beast in his pedigree. A Royal Leader out of one of Mercury's very best daughters is the best guarantee that Edellyn can formulate for cattle of the right kind.

THE CALF

That Comes to Dinner

The honored guest at the Shorthorn Club dinner, Monday night, December 2, at the Congress Hotel, Chicago, is this beautiful red Shorthorn heifer calf. She will be auctioned to the highest bidder at the banquet, and proceeds from the sale will be divided among the boys and girls who exhibit prize winning Shorthorn steers in the Junior Feeding Division of the 1946 International Livestock Show, Stock Yards, Chicago, Nov. 30 to Dec. 7. The heifer was calved June 20, 1946, is sired by Broadfields Air Pilot 2112796 and out of Princess Royal 101st 2081683. She is shown here with Col. E. Arthur Ball (right), owner of Broadfields Farms, Selma, Ind., whose generosity in cooperating with the Shorthorn Club has made this calf available in a gesture of encouragement from the breed to our Junior feeders and fitters. C. D. Swaffar, secretary of the Shorthorn Club, is at the left.

Make Reservations for the Shorthorn Club Dinner, Monday, December 2,
Congress Hotel BEFORE NOON MONDAY.

VICE CONSUL

One never knows what is in a bull, but if you are looking for a bull with short legs, a deep body, straight, smooth back and with generally desirable indications of one that will make a top sire, we can recommend Vice Consul. His dam, Graceful Beauty by Klaymor Mandarin, is the sort any breeder should be pleased to know as the mother of his herd bull.

TRIPLE GOLDFINDER carries more blood of Supreme Goldfinder than a direct son, and looks very much like his double grandsire. He has a head of a breeding bull and a crest that assures his prepotency. He is deep, short coupled and carries his width evenly from end to end; is very lowset and smoothly fleshed.

ABERFELDY INSIGNIA, our outstanding summer yearling bull, sired by Glenburn Gold Cup, whose get won more championships and topped more classes than any other Canadian sire since 1943. His dam, by the famous Perth Champion, Millhills Ransom, was the 1941 C. N. E. Grand Champion female. A maternal sister sold in the 1944 Congress for \$950. His individuality, pedigree and the prepotency of his sire and dam are seldom equalled. We predict a great future for this bull.

MILLGATE ROYAL LEADER

Is by Edellyn Royal Leader and out of Edellyn Golden Drop 5th by imported Calrossie Mercury. He is correct in type, with a great head and horn, and should make a real breeding bull.

MERCURY DEFENDER is a full brother of the bull we sold for \$2,100 in the 1945 International Congress. He is equally as thick, is a good dark roan and a top herd sire prospect.

A Parade of Champions Over All Breeds

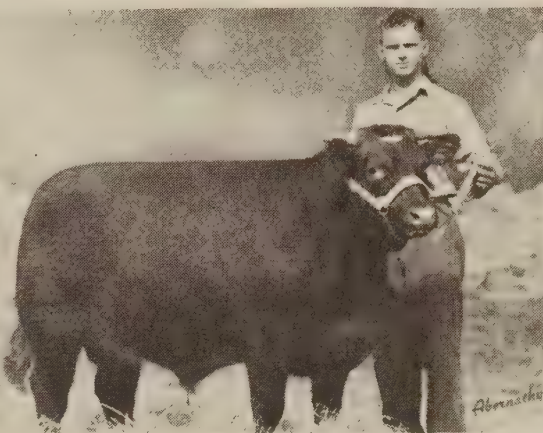

Not for a quarter century has such an impressive parade of Shorthorn steers been made grand and reserve grand champions over all breeds as have passed before the beef cattle judges at state and county fairs thus far in 1946. Shown here are just a few. Shorthorn steers have been grand champions over all breeds in keenly contested competition such as found at the Illinois State Fair, 300 entries; Spokane (Wash.) Junior Livestock Show, 1,100 entries; the Pacific International; Wisconsin State Fair Junior Show; Northwest Iowa District Show, 253 entries.

They have been reserve grand over all at such shows as the Wyoming State Fair, Montana State Fair Baby Beef Show; Oklahoma State Fair Junior Show; Indiana State Fair 4-H Steer Show; Michigan 4-H Club Show; Lexington (Ky.) 4th District Fair; St. Joseph (Mo.) Interstate Baby Beef Show; Joplin (Mo.) Junior Beef Show, and many others.

There have been numerous county shows at which both champions were Shorthorns and still another impressive list where they were either grand or reserve grand. A still longer list of county champions over all breeds have been reported unofficially by breeders whose bulls have been the sires of the prize-winning animals.

Back of all this is a story of strong purebred Shorthorn bloodlines, of vision and genuine know-how on the part of the exhibitors. In many instances the steers were sired by International grand champion bulls or others equally high in rank in the showing parade.

An extra bonus of \$1,000 has been established by the American Shorthorn Breeders' Association for the exhibitor of a Shorthorn steer adjudged grand champion over all breeds at the Chicago International, Kansas City Royal, Fort Worth or Houston Fat Stock Shows, and the Denver National Western. **PICK YOUR STEERS NOW** for next year's shows, the **FIRST Year of the NEW SHORTHORN CENTURY.**

MILLBROOK DIAMOND MARK is a very dark red and as smooth as they come. He has the kind of bone that is very much in demand. His full brother was sold in last year's International Congress to Hal Williams and has done very well. A full sister was sold in the 1944 sale to Dr. House at \$1,100. She stood second to the Grand Champion female.

DONHIL JASPER MERCURY—A rugged, good headed son of Edellyn Supreme Mercury and out of a fine brood cow by Cruggleton Outlook. This Augusta family has produced some of our best cattle. Although just a youngster, he is a promising prospect. A full sister is in the strong Straus herd.

A Century of Leadership

Then as Now—Pre-Eminent

One hundred years ago, Lewis Allen said:

"Every farmer of abundant means, which for this purpose need not be great; and every country gentleman, where properly situated, should cultivate Shorthorns. With the increase of wealth and refinement in the United States, the quiet and elegant pleasures of country life are more appreciated. Numerous gentlemen of leisure annually retire from the bustle of city life, preferring the healthful and invigorating recreations of a farm to the exciting cares of the town. Many of this class become deeply interested in rural pursuits, and in a few years are known as eminently practical agriculturists. Among the most fascinating of their retired pleasures, is that of cultivating a taste for fine domestic animals. Among these the Shorthorn stands pre-eminent."

The Shorthorns in this sale have been selected for breeders with discriminating judgment who know superiority by right of years of experience and selection.

GOLDEN FLORA LASSIE is perhaps one of the best daughters of Glenburn Gold Cup. As a calf she was Junior and Reserve Grand Champion at Erin Regional Show 1945. With her short legs and extreme depth of body she is a strong contender in the Senior Yearling class. Bred Sept. 6, 1946 to Aberfeldy Field Marshal =262043=, that was produced from the mating of the two 1941 C. N. E. Champions.

Highest Selling Bull of the '45 Congress

When modern Shorthorn history is written of those who came out of the West to establish headline herds from breed sources in the Middlewest, the name of Hal Williams of Madera, Calif., will hold high rank. Hal came to the 1945 International Shorthorn Congress with some 60 head of the richest in Shorthorn bloodlines already in his

ownership for his show place in Madera County. He capped his buying tour for high quality Shorthorns with 17 head, three bulls and 14 females, from the 1945 Congress sale, including the grand champion of the show which bidders ran up to the all-time high for this event of \$7,000.

He is shown here with that bull, Edellyn Royal Leader 21st 2247150, bred and consigned by Thomas E. Wilson, owner of Edellyn Farms, Wilson, Ill., sired by Edellyn Royal Leader and out of Edellyn Broadhooks 15th.

It has been said that no price is too high for the right bull. Every bull in this sale will be right for some herd, and the top selling bull will be none too high for a herd of superior quality females of like type and conformation.

Shorthorn Feeders Outsell Winners by \$920.35

Shorthorns never fail to win attention in commercial competition no matter how small a representation against strong odds from other breeds. At the 1946 Chicago Feeder Show and Sale in the Stock Yards, October 28 and 29, there were five loads of Shorthorns competing with 202 loads of all breeds. Joe Winkler's load of Shorthorn yearlings from Castle Rock, Colo., were Reserve Champions in the open division, out-sold the Champion Yearling load of another breed by \$2.00 per cwt., and brought a total premium of \$920.35 more than the champion load. The champion yearlings weighed 553 lbs., sold at \$27.50, and brought a total of \$3,041.50. The Shorthorns averaged 671 lbs. each, sold at \$29.50, and brought a total of \$3,961.85, or \$920.35 more on the same number of calves, same amount of feed, and with seven of the Shorthorns only March calves.

It's that natural greater weight at any given age that makes Shorthorns so outstanding as money-makers all down the line from breeder to feeder to packer. Begin now to **RAISE SHORTHORNS FOR THAT GREATER PROFIT.**

SCOTSTON ZOE'S FANNY is a solid red, low-down, thick, good female imported from the herd of W. B. & A. D. Robertson of Scotland this year, backed up with the best of breeding. Bred Aug. 1, 1946 to Drynie Royal Oak =294490= an imported bull listed in this sale. He is a good bull, having a particularly good sire. It should not be necessary to make any remarks about the Drynie herd. They are well known to breeders of this country.

SUNNYHILL MAYFLOWER 8th

Is a grand heifer and from the same family as the Mayflowers we sold in the last three Congress Sales. She was Reserve Champion at Edmonton this summer. Bred March 31, 1946 to Greene Farms Baronet, the \$3,600 bull purchased last year, sired by Roman Mercury. His dam is the \$3,000 female Mr. Greene purchased from Murphy Bros.

ROSEWOOD 128th is a very even fleshed, deep and wide heifer from the same dam as Supreme Rival, a good breeding son of Supreme Goldfinder. Bred to Killearn Monarch 29th 2242098, June 12, 1946.

Highest Selling Cow at the '45 Congress

The top selling female at the 1945 Congress was the undefeated champion wherever shown in 1945, namely, at Denver, Fort Worth, and Missouri State Fairs. She was entered in the 1945 Congress sale by the Trustees of Sni-A-Bar Farms, Grain Valley, Mo. In the interim Sni-A-Bar Farms was purchased by Ralph L. Smith of Kansas City, Mo. This cow, Princess Susanna, was considered too valuable to be separated from the Shorthorn herd.

It took the top price in the female division of \$6,000 to get this good cow back into Sni-A-Bar ownership. She is a daughter of Edellyn Campeon Mercury and out of Gregg Farms Princess. She was carrying the service of Edellyn Valiant Mercury at the time of the '45 Congress.

A glance at the females offered in the 1946 Centennial sale is all you need to prove that they are the grandest lot ever offered in these events. With no beef cattle shortage in sight, they will return to their buyers many times over their purchase prices.

"Uniformity is One Great Excellence"

A very significant part of the wealth producing ability of Shorthorns rests upon the cow herd. Cows like these are the backbone of efficiency of any herd. They combine pedigree, individuality, prolificacy and long life. They are reliable as regular producers of the kind of calves that go on into other herds contributing improvement and popularity for Shorthorns and bringing ever-increasing wealth to the owners.

Perhaps no one thing inspires more confidence on the part of a buyer than to see a uniform bunch of matrons like these. One hundred years ago Lewis Allen said:

"Uniformity is one great excellence."

But securing uniformity is not a matter of chance. It is a matter of careful planning. In choosing a herd unit of females it is all important to your future success in the business that you buy cows of uniform type. The animals offered in this sale are all from herds noted for their uniformity as well as modern type and impressive bloodlines.

ELCONA FRAGRANCE—Calves by Sni-A-Bar Royal Baron have had a high average of quality and uniformity. His record as a sire is well known. Divide Fragrance 11th, a daughter of the famous Duke of Killearn, was purchased for \$1,500 in 1942 and is one of our best cows. Elcona Fragrance was bred Sept. 23, 1946 to Edellyn Royal Leader 22d 2247151, the \$6,500 top of the 1945 Edellyn Sale. His sire is the All-American Favorite, Edellyn Royal Leader and his dam is a daughter of Calrossie Mercury, head of the New Dynasty. Thus he combines the most potent bloodlines of the breed. Fourteen heifers bred to him sold for an average of \$1,027 in the Elcona-Shore Acres sale this year.

Pattern for Profit

The "milkless cow" of the range is being discarded wholesale by an increasing number of commercial producers who realize the importance of extra milk in feeder calf production. In their place are heifers sired by Shorthorn bulls, possessing additional scale, quieter dispositions, and most important of all—sufficient milk to give a calf an opportunity for maximum development.

You couldn't convince the owners of this herd of reds, whites and roans in Montana, that any breed can beat the Shorthorn as the ideal money-making range breed. They have found the demand for quality Shorthorn feeders far greater than the supply, because practical, unprejudiced feeder buyers know that Shorthorns put on more meat at lower cost per pound than any other breed. The nation's largest, most successful producers, by the introduction of Shorthorn bulls into their range herds, are selling calves annually at additional premium prices on 20 to 50 pounds per head more than from calves of other breeds produced under the same conditions. Remember—you sell beef by the pound, and you GET MANY MORE POUNDS WITH SHORTHORNS. Weight and scale are the paramount factors in the production of beef at a profit.

MAXWALTON COUNTESS is a beautiful red heifer out of one of our most reliable brood cows. She is the right type with a perfect head. She will always be the kind you can point to with pride.

LADY VENUS OF HELFRED 2d

Sired by Bapton Major and out of a Cruggleton Achtoi dam, is the best heifer calf we have ever developed. She is a full sister to the 1945 Congress Sale Reserve Champion. Anyone wishing to add strength to his show herd will find championship material in this calf. She has everything we want in conformation, quality and smooth, mellow flesh.

LEADER'S LAVENDER LADY

Is the first calf by Edellyn Royal Leader 10th, one of the top sons of All-American Favorite Edellyn Royal Leader. She was the first prize senior heifer calf at the Ohio State Fair. The grandsire on the dam's side is by a son of Gainford Marshal out of Leveldale Rosewood, both International Grand Champions. This is the most outstanding female yet produced at Ohio State University.

53 Feeders Net \$10,000 Profit in 12 Months

Shown here is 19-year-old Albert Fritzler of Sterling, Colo., with his grand champion group of three steers over all breeds at the 1946 Denver National Western Stock Show. Individually they won ch., res. ch., and 2d prize in the Shorthorn division, and res. gr. champion of the junior show of 1,000 steers of all breeds. They are from a load of 53 feeders, res. gr. ch. over all at the 1945 Denver show on which young Fritzler netted over \$10,000 profit in one year. He paid \$6,902.45 for the load. Sixteen head sold at the 1945 Chicago Fat Stock Show for \$10,638; 16 sold at Denver for \$3,688; another 19 sold on the open market for \$3,800 and two sold at the Fort Worth (Texas) Fat stock Show for \$1,578. Add another \$1,000 in

prize money and you have a record of which any long-experienced feeder could be proud. **YOU CAN'T BEAT SHORTHORNS AS MONEY-MAKERS.**

MAXWALTON MISS RAMSDEN 3d is out of a very good daughter of Browndale Cumberland. This heifer is lowset and well balanced. Her dam was always a top winner in our show herd.

CLIPPER KA DEL 9th

In Clipper Kadel 9th we are offering a combination of the most popular Edellyn and Hubbell breeding. This is the third Clipper female we have offered for sale. The first was grand champion female at the Eastern Iowa Shorthorn Sale in 1944. The second won her class at the 1946 Iowa State Sale and sold to Sni-A-Bar Farms for \$750. This is a low-set, thick heifer with much style and character. She is vaccinated for Bangs.

The Shorthorn Herd Book is much more than a printed volume recording the purity of Shorthorn bloodlines. It is people—the record of outstanding leaders in improving a breed—men whose names stand as monuments in the history of livestock breeding—those who with talent, capabilities and vision, have dominated the progress of Shorthorns in America for a century. It is the specialized knowledge of blending bloodlines that have nicked to the benefit of the Shorthorn industry as well as of all breeds of livestock.

The brilliant Shorthorn history in the making in this era is the logical outflow of knowledge gained in the past, blended with our own particular skill in meeting modern demands.

We invite you to become one of this impressive group of leaders by starting your herd with the superior breed builders offered in this sale.

LEADER'S LAVENDER 2d is the second calf by Edellyn Royal Leader 10th. She stood third at the 1946 Ohio State Fair showing against senior heifer calves. She is a full sister in blood to our other International Sale heifer.

Highest Total Paid Per Feeder Calf-\$223.25

This load of Shorthorn feeders shown by the Winkler Sisters, Castle Rock, Colo., was the unanimous decision of the judges for the grand championship over all breeds at the 1946 Denver National Western Fat Stock Show competing with 58 loads of the greatest feeder carlot showing on earth. They sold at the record price of 47 cents a pound, and because of their extra weight outsold by \$20 a head feeders of another breed of the same age which later brought 50¼ cents a pound. The 20 head of champions weighed 475 lbs., brought \$223.25 a head and the cut-backs sold at 45 cents a pound. The feeders of the other breed of the same age weighed 404 lbs. and brought \$204.01 per head and their cut-backs sold at 37 cents a pound. This puts the Short-

horn grand champion feeders at the top in world record totals because of that extra weight which makes them such a profitable breed to feed and sell on the open market or as show cattle.

For Greater Success in the New Century

Only by cooperation can we extend our markets and make available to the greatest number of people the good of our breed. This year the American Shorthorn Breeders' Association has gone over the top with the all-time high of 2,073 new breeders added to its active membership. Again it takes the lead with the largest active membership of any beef breed. In direct ratio with the membership rise in the increase of 10 percent in registrations and 6 percent increase in transfers over figures of a year ago. Many of our leading breeders have been making a gift membership an integral part of their service to new buyers.

This willingness to cooperate is bringing more and more people into the buying and breeding of Shorthorns.

The benefits of membership far outweigh the cost. A life membership is only \$10 with a dollar each year in dues. These fees combined with many others find new buyers for Shorthorns, put the breeder's name on the list which goes to all prospective new buyers as a source of supply, give him a vote in the Association elections, and last but not least, cut his recording and transfer costs in half.

A letter to the American Shorthorn Breeders' Association, 7 Dexter Park Ave., Chicago 9, Ill., will bring full particulars about membership. Let's make 1947 a still greater Shorthorn year than 1946.

Judge of International Shorthorn Breeders' Show

The final test of excellence at any Chicago International Livestock Show (this year Nov. 30-Dec. 7) is of absorbing interest, for here it is that the champions from state fairs all over the Union vie for supremacy.

This year the man who will bestow the ribbons in the Shorthorn breeding classes at the International, will be Professor P. S. Shearer, head of the Animal Husbandry Department of the Iowa State College at Ames. Professor Shearer was born and reared on a farm in Marshall County, Iowa, where Shorthorn breeders have been holding at least one Shorthorn auction every year since 1906. Professor Shearer's father and grandfather were breeders of purebred Shorthorn cattle. It was a natural sequence that in the course of time P. S. Shearer enrolled as a student in the Animal Husbandry Department at the Iowa State College, and was graduated from it after completing the requirements. He became

a staff member of the department as teacher and research worker, and in 1935 was made its Chief.

All animals in the Centennial Congress sale are entered in the International Shorthorn Breeding Classes and will be judged Monday and Tuesday, December 2 and 3, beginning at 8:30 A. M.
